Getting Started . . .

The State of Michigan Council for Arts and Cultural Affairs (MCACA), an agency of the Michigan Department of History, Arts & Libraries (DHAL), serves to encourage, develop and facilitate an enriched environment of artistic, creative, cultural activity in Michigan.

The 2006-2010 MCACA Strategic Plan establishes short- and long-term goals for the Council's administration, its granting programs and its customer service. MCACA uses these goals to help remain focused on how to further our mission and fulfill our vision. We fully expect that the projects supported through our granting programs will meet one or more of these goals as well. The goals of MCACA are to:

- Support arts and culture as a catalyst for community revitalization and economic development.
- Encourage new, creative and innovative works of art.
- Strengthen arts and culture by:
 - Establishing and facilitating communications networks
 - Increasing visibility and awareness of arts and culture
 - Supporting arts education
 - Recognizing, reflecting and celebrating cultural pluralism and broadening cultural understanding
- Expand and develop funding resources for the Council and its clients

In addition, the Council is firmly committed to and wishes to support projects and programs that:

- Enhance the state's quality of life
- Demonstrate the importance of arts and culture in daily living
- Provide broad public access to arts and cultural activities
- Support those who create, present or produce quality arts and cultural projects
- Facilitate delivery of arts and cultural resources statewide

This booklet contains requisite information to help qualified organizations begin the process for apply for funding in the Partnership Programs. Partnership Activities must take place between October 1, 2008, and September 30, 2009.

If you are invited to apply to the Partnership Program, an application fee of 3% of the requested amount, or \$300 (whichever is less) must accompany the application.

Program Outline

The Partnership Program is integral to the Council's overall strategy to provide the opportunity to experience, participate in or learn about high quality arts and cultural projects. Inherent in this program is the understanding that no one person, organization, cultural facility or agency can effectively accomplish this strategy without the aid of other like-minded partners.

The Michigan Council for Arts and Cultural Affairs believes a partnership should:

- a) be goal-based and fit the missions of each partner
- b) extend the reach of each partner
- c) sustain a necessary or critical function that without the partnership, would not exist.

In addition, the Council

- Recognizes that there are partnerships that we want to sustain over the long term and others that could be very short in duration
- Recognizes the unique responsibilities of a “partnership” and desires that our processes reflect that fact
- Recognizes that partnerships exist for a purpose or goal, and are not an end in themselves.
- Recognizes that when the goal is reached, the partnership needs to evolve or end, or that with a change in circumstance, any partner has the right to opt out.

Given these precepts, the MCACA Partnership program is made of two separate components:

- 1) Partner Organizations
- 2) Special Ventures

NOTE: It is important that you read the MCACA publication “General Guidelines” for more detailed information as to grantee requirements, general eligibility information, MCACA contacts and other program information. If you are unsure whether your project is a good match for this program, please contact MCACA staff.

Partner Organizations

This component is designed for long-term relationships which combine resources of the State and those of an assortment of local, state and regional nonprofit organizations in order to increase all types of arts and cultural opportunities in the state’s 83 counties.

Process: Participation in this component is by invitation only. The Council will send a letter of “Invitation to Establish a Partnership.” The letter will explain why the Council is interested in establishing the partnership and ask that the organization reply confirming their interest or their choice to decline the invitation. Letters of Invitation to Establish a Partnership will be mailed in mid-April of each year.

Partner Organizations will need to make application to the program using the MCACA on-line application process. The Council’s Partnership and Ventures Evaluation Committee has set June 1, 2008 as the application deadline

Initially, The Council’s Partnerships and Ventures Evaluation Committee meets individually with those potential partners. The dialogue at that meeting will establish how a partnership could benefit each organization and advance the mission of both organizations. The outcome of the individual meeting will be the actual grant agreement language, including deliverables and outcomes.

Follow-up: An organization serving as a partner with MCACA must meet all reporting requirements. Each Partnership will be reviewed annually by the Partnerships and Ventures Evaluation Committee. However, after the organization is established as a Long Term Partner, meetings will only occur at the request of the Council’s Partnership and Ventures Evaluation Committee or the Partner Organization. **After five years, there will be a complete reassessment of the partnership.**

Special Ventures

This Component is designed for short-term partnership ideas, that may or may not evolve into a longer partnership and are issue-based with measurable outcomes. These ventures may be initiated by the Council or by the potential partner. Through Special Ventures, the Council envisions projects that are strategic, entrepreneurial, or serendipitous and have every potential to produce new and surprising or unexpected results.

Process: Participation in this component will begin after the Council's Partnerships and Ventures Evaluation Committee has received a "Request for Venture Partnership." The Committee will evaluate each venture proposal and reply in writing either with an "invitation to apply" letter, or a letter declining your offer to establish a short-term venture.

If your organization is invited to apply, you will need to make application to the program using the MCACA on-line application process. The Council's Partnership and Ventures Evaluation Committee has set June 1, 2008, as the application deadline for Special Ventures for FY 2009.

Once the application is received from those organizations invited to apply, Council's Partnership and Ventures Evaluation Committee will consider the application, meet with the applicant organization and make their recommendations back to the Council.

The Council will entertain Special Venture proposals throughout any given fiscal year. Of course this in no way guarantees acceptance to the program or funding of a project/special venture. Special Venture review will take place on an "as needed" basis.

Follow-up: An organization receiving a grant for a Special Venture with MCACA must meet all reporting requirements. Special Venture agreements are for one fiscal year.

Program Eligibility

Applicants must be incorporated in the State of Michigan. They must also ensure that no part of net earnings benefit a private individual. Donations to the organizations must be allowable as a charitable contribution under section 170c of the Internal Revenue Code of 1954 as amended. (Organizations having status under Section 501(c)(3) of the Internal Revenue Code and local Units of Government meet this criteria.)

Any applicant that has unmet obligations on current grant contracts, such as overdue or incomplete reports or other significant problems, is not eligible to apply for future funding. If any applicant fails to meet MCACA requirements on a current contract, their pending application will be removed from the review process. If any applicant fails to meet MCACA requirements on a current grant, following Council approval on a FY 2009 application, the newly approved grant will be rescinded. Auxiliary support organizations (i.e. friends of xyz), may not apply in this grant program. State of Michigan agencies, divisions or departments are not eligible to apply for funding from MCACA.

Waiver Requests

Organizations that seek a waiver of any portion of the program guidelines must do so in writing by May 28, 2008. Waivers are a highly unusual occurrence and should be fully discussed with

MCACA staff. Request for waivers will be reviewed and acted upon by the Council's Executive and Budget Committee. Applications submitted pending action by the Executive and Budget Committee on a waiver request will be processed pending action. If the waiver is not approved, application review will be terminated.

Accessibility

MCACA strives to make the arts accessible to all people and this is a priority of its funding programs. Funded organizations agree to make every attempt to ensure that programs are accessible to persons with disabilities. According to state and federal law, every publicly funded organization must place itself in the position of being able to provide accommodations when persons with disabilities make requests for services. Accessibility involves the location, various communication/promotional tools and the content of the program. Thinking about accessibility issues early in the planning process of the project is key to ensuring that persons with disabilities will be able to participate in the program.

Matching funds

Applicants in this program must request a minimum of \$5,000.

All council programs require that the applicant supply a level of "matching funds," or funds available to them through other sources. **Applicants must make a 1:1 cash match.**
